

Third Eye Affirmations

6th Chakra

I am open to all the possibilities that exist beyond my limited knowledge

I am listening to my highest awareness

There is a force working in my behalf, waiting patiently for me to learn to listen

I am learning to discern what is for my highest good and greatest joy

I am free to do what gives me joy and happiness in my life

I am believing in unlimited possibilities

I am a balance of intellectual and emotional intelligence

The world I live in is becoming more beautiful than I ever imagined

I am beginning to see multiple sides to every story

I am remembering my beauty and acknowledging it. My body is a sacred holy chariot to carry my spirit through this earth life experience, I treat it with royal care and attention

I am looking within to find my path; my hearts desire is pulling me in the direction on my dreams and my ultimate fulfillment an contribution

I easily release all outside influences not in harmony with my highest and greatest good

It is safe to be myself, especially in my most intimate relationships. I surround myself with people who appreciate the safe space I create for them to be raw, real, and authentic

I do not need to prove or demonstrate my intelligence, I allow it to flow with grace.

There is no need to edify myself with the approval of others
